The **Village of Reeseville Building Inspector** is General Engineering Company  
Portage, WI. Phone 608-742-2169 Fax 608-742-2592

Construction which will require a building permit includes, but is not limited to:

1. New buildings including agricultural buildings, detached structures ( decks) and detached accessory buildings.
2. Additions that increase the physical dimensions of a building including decks.
3. Alterations to the building structure, cost shall include market labor value, or alterations to the building's heating, electrical or plumbing systems.
4. Replacement of major building equipment including furnaces and central air conditioners, water heaters and any other major piece of equipment shall require a permit except as noted in ( C ) below.
5. Alteration of plumbing, venting, electrical, or gas systems.
6. Any electrical wiring for new construction or remodeling.
7. Any HVAC for new construction or remodeling.
8. Any plumbing for new construction or remodeling.
9. Any wood burning system.

( C ) The following construction activities shall not require a building permit:

1. Re-siding, re-roofing and finishing of interior surfaces, installation of cabinetry, and repairs which are deemed minor by the Building Inspector. Notwithstanding this section, however, a permit accompanied by structural load-bearing calculations may be requested of the property owner for re-roofing a building if the proposed re-roofing would constitute a third or more layer of roofing.
2. Normal repairs of HVAC, plumbing and electrical equipment or systems such as replacing switches, receptacles and fixtures.
